Book Shelf

Objectives:

- Coordinating

Materials:

- Newspaper
- Tape
- A heavy book

Setup:

- 1) Leave all the materials on the table

Instructions to Team:

Construct the tallest tower you can that will hold the heavy book without any assistance from you. You will have 5 minutes.

Notes:

You can vary this activity as much as you want:

- must hold multiple books
- must be at least 12 inches high
- can be supported with one hand from each student
