## Learn the Core Values

### Objectives:

- Learning the FIRST LEGO League Core Values
- Learning to present and explain choices

### Materials:

- A list of the FIRST LEGO League Core Values
- Note Cards
- Pens
- Posters
- Markers

### Instructions to Team:

- Each person on the team writes one Core value on an index card
- Place the index cards face down and then each team member should pick one card
- Team members must make a poster that has their Core Value in large print on it with pictures, quotes and anything that explains the Core Value
- For the next 7 weeks, each team member will present one poster.

### Notes:

This is an extended activity for the entire season.

Stick all the posters up on the wall of your meeting more.

After that, spend 5 minutes at each meeting for team members to share how they either observed or practiced one of the 7 Core Values during the week. Write this on a sticky note and add it to the poster it describes.

This activity was shared by the Tazbots from Florida, USA.
