Sets

Objectives:

- Coming to a consensus

Materials:

- A random collection of objects in a bag or box
- Can include office and school supplies, trash/recyclable items

Setup:

1) Leave all the items in a bag in the middle of the table or on the floor

2) Include a piece of paper and a pen

Instructions to Team:

Sort the items in front of you into as many groupings (or sets) as you want to. Record your sorts on the paper and pen provided. You have 4 mins.

Notes:

Have the team present their system of sorting at end of 4 mins.

During the activity, watch how the team made decisions. Does the team talk over each other?

You can redo this activity another time with another set of materials.
